# Castle Howard staff declined to leave during filming of *Bridgerton* sex scenes

Matthew Moore, Media  
Correspondent

Saturday January 23 2021, 12.00am,  
The Times

When it comes to protecting the historic soft furnishings, the staff at Castle Howard take their work extremely seriously.

Attendants employed by the stately home in North Yorkshire are so committed that they declined to leave the room during the filming of [Bridgerton](#) sex scenes, the period drama's director has revealed.

### Bridgerton Tour

This new period drama, based on Julia Quinn's popular Regency novels, is a huge hit on Netflix. Visit the stately homes and castles where the series was filmed and explore the inns, parks and streets also used as locations.
