Thank you for your interest in the post of Driver/Labourer with Historic Environment Scotland, based at Dumfries Depot. This is a permanent and pensionable appointment.

You will be joining a dedicated team where you will contribute to the conservation of historical monuments under the care of Historic Environment Scotland in the South West and the surrounding areas.

About us

We are the lead body for Scotland's historic environment; a charity dedicated to the advancement of heritage, culture, education and environmental protection. We're at the forefront of researching and understanding the historic environment, and addressing the impact of climate change on its future. We investigate and record architectural and archaeological sites and landscapes across Scotland and care for more than 300 properties of national importance. We have a People Strategy, which is an overarching strategy to ensure we support and develop staff within the organisation.

Our Vision

Our vision is that Scotland's historic environment is cherished, understood, shared and enjoyed with pride by everyone.

Our Priorities

- The historic environment makes a real difference to people's lives
- The historic environment is looked after, protected and managed for the generations to come.
- The historic environment makes a broader contribution to the economy of Scotland and it's people
- The historic environment inspires a creative and vibrant Scotland

- The historic environment is cared for and championed by a high performing organisation.

Overview of the post and information about the team

The Dumfries Depot Monument Conservation Unit, (MCU), currently consists of a 4-person team all of which carry out conservation and maintenance work on a variety of locations. The team is headed by a Works Manager who has direct line management responsibilities for the whole team.

You will provide labouring duties to the team as well as driver duties in transferring the squad to their place of work and picking up materials. You will be expected to make your own way to and from Dumfries Depot for start and finish times. You may on occasion be required to work at other monuments within the HES South Region.

Key responsibilities, duties and objectives

The main duties of the labourers post include:

- Providing semi-skilled assistance to enable the stonemasons to carry out their conservation duties
- Transporting the Monument Conservation Unit staff, plant, equipment and materials from depot to various Historic Environment Scotland sites spread throughout the South West of Scotland
- Carry out routine maintenance at the Castle ensuring continued high standards of presentation of the PICs and the 'stitch in time' works
- Maintenance of small plant and equipment
- Undertake statutory inspections to ensure that HES is fully compliant with legionella and fire legislation
- Maintain individual responsibilities for Health & Safety awareness and the health and Safety of members of the public and fellow employees
- Keeping the working site clean and tidy ensure that access egress to working areas are maintained at all times
- Weekly litter collection
- Weeding of low level masonry, moss removal from low level wall heads
- Delivery of consumables, plant and equipment required by the sites (both Visitor Operations & Monument Conservation Unit) e.g. lino rolls, cleaning equipment, shop stock when vehicle suits etc.

From time to time you will be required to attend training courses identified to assist the work, or to comply with health and safety legislation (this may require overnight stays away from home).

Working Hours:

The normally weekly hours of work will vary according to the working season on the working year and may be subject to future changes. The working year will cover the calendar year 1 April to 31 March.

You will work on an annualised hours contract which means the working year will be divided into 2 working seasons: namely a longer working hours season (summer) and a shorter working hours season (winter). The length of each working season will be fixed by local management after discussion with the MCU and not later than 1 April of that working year.

The normal working week for the summer season will cover 5 days, The normal working week for the winter season currently covers a 4 day week however regardless of the hours worked

(long/short weeks) you will be paid at the rate of one-twelfth of your annual salary per calendar month

The summer working hours are:

Monday –Thursday	07:30 -16:15
Friday	07:30 - 14:20

The winter working hours are:

Monday – Wednesday	07:30 - 16:00
Thursday	07:30 - 14:00

Historic Environment Scotland is committed to introducing a 35 hour working week from 1st April 2024 and so the above hours are subject to change. The 35 hour week will be incorporated into an annualised hours contract.
